Lesson 1: How Do We Pursue Truth?

Key thought:

Everyone builds their life on their beliefs, knowingly or unknowingly. We must test what we believe against the absolute truth of God's word. The only person to be without error was Jesus!

Poster 1

The 3 trees represent people:

- One is an unbeliever: no fruit, almost no leaves
- One is a believer at salvation: no fruit
- One is a mature believer: healthy tree with lots of fruit

The boxes under the trees represent their roots, the foundations of their lives

Inside these boxes are symbols:

- One symbol represents lies or deception
- The other symbol represents truth

Lesson 2: God Loves Us Like a Good Father

Key thought:

This session emphasizes God's fatherly care and His desire for intimacy with His creatures. Also, God designed the role of an earthly father to be an example to his children of who the Heavenly Father is. Earthly fathers can distort our view of God.

Poster 2a

- The left figure represents God in love reaching down to us (the triangle represents the Trinity).
- The right figure represents earthly fathers' loving care of their children.

Poster 2b

- Background figure represents God and His love for us.
- The three small pictures represent the Prodigal Son story in Luke 15: 11-32. This poster answers the question: How do we correct our wrong ideas of what God is like?

Lesson 3: What God is Like

Key thought:

This topic looks at how God has described His nature: everlasting, creator, all-powerful, all-knowing, all-present, invisible, and personal. God is one God, in three persons. In English this is given the name Trinity. This session investigates what Scripture says of the triune nature of God. This is a critical concept because many groups who become apostate have twisted this concept of God.

Poster 3a

- 1a) God is everlasting: the arrow and circle are showing God had no beginning and no end.
(It's a western symbol).
- 1b) God is Creator (He spoke and the world was created)
- 2a) God is infinite in power
- 2b) God is infinite in knowing
- 2c) God is infinite in a presence: He is present everywhere, all time (He is outside of time)
- 3) God is invisible (Jesus was visible while on earth, but until He returns He, like the Father and the Holy Spirit, is also invisible).
- 4) God is personal and relates with humans.

Poster 3b

- The shadow type figure represents God. The triangle represents the three persons of the Trinity.
- The three soccer players symbolize the three persons of the Trinity having the same ability, purpose, and love.

Lesson 4: What God's Actions Are Like

Key thought:

The attributes of God's nature are things we cannot attain. (We already are personal as He is). God's main character attribute is love and all that He does is motivated by love. We are told to grow in grace and knowledge of our Lord Jesus Christ (2 Peter 3:18). We do this by becoming more like God's character, which is love (1 Corinthians 13:13; James 2:8; John 15:12). Our understanding of God is crucial to our walk of faith.

Poster 4

The flower represents God's beauty. If one petal were missing it would not appear complete. The stem represents God's love which feeds all the character traits. There would be no flower without the stem feeding it. God's faithfulness is represented by the arrow, which symbolizes the sun faithfully rising every day.

Lesson 5: How Do We Develop Friendship with God?

Key thought:

Developing a close friendship with God includes spending time with Him in prayer and Bible meditation. Practical suggestions on our daily devotional life, in a way that develops personal friendship with God, are emphasized.

Poster 5a

The round object is supposed to be a clock. The intent is that these are things we should do every day. In fact we are told to pray continually (1 Thessalonians 5:17) and we should always be ready to listen to the Lord and check/compare what we think we hear with the Word of God, since God will never contradict Himself. We should also always be in a spirit of worship.

Poster 5b

I believe the poster explains the pictures.

Poster 5c

The pictures are labelled with a description. Number 4, an open door, symbolizes God showing us a new possibility or action. Number 5 is showing someone dreaming while asleep.

Lesson 6: God Made Us With a Design and Purpose

Key thought:

We were created in God's image in order to have a love relationship with Him and other people. This session discusses the purpose of people, their great value and how we are specifically made like God – with a mind, will, and emotions.

Poster 6

- Top left picture – God is a personal being wanting a relationship with us. We were created in God's image with: mind (our thinking), will (our choices), and emotions (our feelings).
- Top right picture – mind, will, and emotions can be symbolized by a truck. The engine is what provides the power (symbolizing the mind). The choices we make (our will) are symbolized by the steering wheel that turns the truck, and the emotions, like the trailer, follow behind. If the truck trailer leads the truck will likely meet with disaster. Likewise if we follow only our emotions we will probably have problems.
- Bottom picture – illustrates that God wants believers to live together in close relationship with Him.

Lesson 7: God's Laws of Love

Key thought:

God desires people to live according to the way He designed them. Living this way will not only please God, but benefit people as well.

Poster 7

The fence around the outside of the picture represents the boundaries set by the law. We will be happiest if we live within this fence/boundary. But we cannot. The only One who did was Jesus. The pictures numbered one to ten represent the Ten Commandments.

Lesson 8: Why Do We Sin?

Key thought:

This session focuses on the sinful condition of the heart, with an emphasis on people's selfish disobedience of God's laws. Because of this violation of their design, people are reaping destructive consequences.

Poster 8a

The tree represents the man's life. One man has God at the centre of his life, the other man has himself at the centre of his life. The man with God at the centre of his life will have fruit just like this tree. A man with himself as the centre of his life will be like this other tree with fruit that is no good. The tree may look healthy but it cannot bear healthy fruit because it is rotten inside.

Poster 8b

This poster is detailing the heart of the man on the right side of Poster 8a. The different animals represent the following sins; which are also the bad fruits on the tree.

- Rat – thief, greed, envy, dirty actions
- Snake – deceit, evil thoughts, worship other gods
- Cassowary (Muruk)– murder (this bird can easily kill with its feet), fight, anger.
- Frog – laziness, slander
- Pig – greed, envy
- Dog – lewdness, adultery, sexual immorality
- Bird of Paradise – arrogance, foolishness

The blindfold is the blindness of unbelievers (2 Corinthians 4:4; Matthew 23:23-26)

Lesson 9: The Result Of Our Sin?

Key thought:

Because of this violation of their design, people are reaping destructive consequences. This lesson discusses the importance of right motives, not just good external actions.

Poster 9a

This poster represents the narrow and the wide roads (Matthew 7:13). The pictures along the wide road are according to Romans 1. When we reject the truth we go deeper and deeper into darkness until finally we reach destruction.

Poster 9b

- The picture at the top is of a toilet, with a man sitting in the bottom of the toilet. We, like this man, often choose to remain in our filth and sin until God convicts us of sin. The spear in God's heart and the tears represent God's pain when our lives are like this, but He will not force us to come out. It must be our choice.
- At the bottom, the fenced area as in Posters 6 and 7 represents life within God's law – the laws that tell us how we can best enjoy life. The fence is broken, which represents our breaking God's laws.

Lesson 10: Who Satan Is And How He Works?

Key thought:

This teaching describes the purpose and strategies of Satan. It discusses who Satan is, where he came from, his ultimate evil plan for our lives, and his methods to reach that goal.

Poster 10a

The lion (right) represents Satan (1 Peter 5:8). The dog represents us. If we belong to Christ, we know He is stronger than Satan. The picture of Satan is not a true picture. It is an old Western idea. In reality Satan often appears beautiful: see 2 Corinthians 11:14.

Poster 10b

This poster has three pictures of how Satan can trap us with good things.

- The fish needs to eat. The worm on the hook entices him to eat. But when he eats he is caught on the hook.
- The monkey reaches into the bowl (which is tied to the tree). He grabs the nut in the bowl and closes his hand. When his hand is closed he cannot remove his hand from the bowl, so he is caught because he will not let go of the nut.
- The wolf lives in a very cold place. Someone hunting the wolf can simply bury a knife in the ice. Then the blade of the knife is coated with blood. The wolf comes and licks the blood on the knife. As he licks the blood, he cuts his own tongue. Now he is drinking his own blood, and dies from bleeding to death.

Poster 10c

- #1 is illustrating a man with a bottle of alcohol, a man who is a glutton, and a couple trapped in sexual sin.
- #2 is a man who lusts after money, possessions, and property.
- #3 is a man who thinks of only himself.
- #4 is a man trapped by fear.
- #5 is people gossiping and slandering others.
- #6 is possibly the one Satan loves most – dividing believer against believer within the church, and one church or denomination against another. Outsiders see this and think there cannot be any truth to the Bible: look how they treat each other! Jesus said the world will recognize us as Christians by how we love one another.

Lesson 11: We See God's Grace in Salvation

Key thought:

This session discusses how God, in His incredible mercy, longs to forgive our sinfulness and bring us into relationship with Him. Understanding and experiencing God's heart towards us is the greatest motivating force in our spiritual lives.

Poster 11a

- Top – the heart has a thin layer of black, as though just the outer layer is bad.
- Middle picture and Jeremiah 17:9 tell us our hearts are full of deceit and beyond cure.
- Bottom – shows a “heart of flesh”, soft and responsive, which God promises to give us. (Ezekiel 36:26)

Poster 11b

- Top – shows the stages of Christ's death: from His prayer in Gethsemane to His crucifixion.
- Bottom – shows the toilet (as in Poster 9b) but here God is reaching into the toilet with the symbol of Christ's shed blood: man's only way out. The fact that God is reaching into the toilet symbolizes that Christ came to us and offers salvation while we are yet sinners (Romans 5:8). This Romans verse also shows we come as we are to Christ; the only thing we bring to the cross is our sin!

Poster 11c

This is Poster 9a showing Jesus took the punishment for our rebellion.

Lesson 12: What is Salvation?

Key thought:

This session discusses what happens when we trust Christ as Saviour. Defined in this lesson is: repentance, faith, salvation from sin, and adoption into God's family.

Poster 12

- #1 We see 3 men in this section all depicting the same thing. The man in front is in chains, representing our sins. The man with the large rock represents us carrying around our sin. The third man represents us dead in our sin. #1 is repentance, which simply means to 're-think and turn from'.
- #2 Faith is pictured by the man who trusts in what Christ did on the cross. He is freed from sin; the chains are broken.
- #3 God takes the basin of Christ's blood and applies the blood to our heart and makes us clean.
- #4 We've been adopted into God's family, placed inside the fence.

Lesson 13: What are the Marks of a Christian?

Key thought:

This teaching covers what a Christian should 'look like.' The study comes primarily from 1 John. We know a Christian's life has been changed on the inside when we see love.

Poster 13

This pictures 8 different marks or characteristics of a Christian. These marks do not always appear immediately in us – they are things we see growing as we look over the last 6 to 12 months. As we look back we should see evidence of these marks growing in our life.

- #1 – the sun represents light
 - #2 – do what God commands in His Word – the Bible pictured
 - #3 – the two figures represent loving your brother
 - #4 – this man is lustng after the things of this world
- The remainder are either self-explanatory or, like 7 and 8, hard to illustrate

Lesson 14: This is How to Overcome the Enemy

Key thought:

Knowing the truth about our authority in Jesus and the spiritual weapons available to us is critical to knowing how to defeat Satan. This session focuses on Ephesians 6 and its practical application to our battle with the enemy.

Poster 14

- Left – life in darkness is hard. The blindfold represents the spiritual blindness of unbelievers. The cover over the roof of the house represents how the unbeliever does not experience all of God's blessings. (He does experience some).

- Right – living in the light, believers *can* experience abundant life. This life does not exclude pain. In fact, we are promised hardship will be a part of our new life.

Mark 10:29-30 GNB: "Yes," Jesus said to them, "and I tell you that those who leave home or brothers or sisters or mother or father or children or fields for me and for the gospel, will receive much more in this present age. They will receive a hundred times more houses, brothers, sisters, mothers, children, and fields---and persecutions as well; and in the age to come they will receive eternal life."

This is a great poster to explain why we don't stay on the right all the time. Romans 7 tells us there is a battle. When we find we have sinned (moved back to the left in our living) we do not lose our salvation, but we need to confess our sin and move back to the right. (1 John 1:9)

Poster 14b

This is a Roman soldier and is self-explanatory.

Lesson 15: Why Do We Need to be Holy?

Key thought:

Our fellowship with God depends on our walk with Him. This session stresses the importance of walking in holiness, to "be holy because I am holy" 1 Peter 1:16. This lesson also teaches on our position in Christ versus our growth in holiness.

Poster 15

This poster is a representation of the 2 aspects of our spiritual life. The pictures were explained in the descriptions of Posters 12 and 14a. The graph is probably best explained as 2 glasses. The glass on the left is full. That represents our position in Christ at salvation – sin forgiven. The glass on the right represents us as we mature and become more like Christ. This is also pictured in Poster 1 where the new believer still has many lies that need to be replaced with God's truth, and the mature tree has fruit, but still has lies that need to be replaced through our growing in spiritual maturity. So the glass on the right is filling up as we become more like Christ – but we never fully fill that glass because we never reach perfection in this life. If we stop growing like Christ, if we stop maturing, we actually can lose some of our gains when we backslide: Matthew 7:24-27.

Lesson 16: How Do We Break Sinful Habits?

Key thought:

Victory over sinful habits is possible through the power of the Holy Spirit and knowing God. Practical steps to knowing and desiring to be more like Him are also discussed.

Poster 16a

- Top picture represents discipline – like someone who competes in a race.
- 2nd picture: the rock represents sin's burden, which can be left behind at the cross.
- 3rd picture represents the things of this world. Philippians 4:8-9 says instead of thinking about these things, think about true, noble, and pure things.
- Bottom picture represents youthful desires: flee them.

Poster 16b

- Top picture represents someone studying the Bible.
- Middle picture represents fleeing from the path of the wicked (like the story of Joseph and Potiphar's wife (Genesis 39)).
- Bottom picture shows God desiring to be our spiritual Father.

Lesson 17: Why Should We Forgive?

Key thought:

This session defines forgiveness, examines Jesus' life and example, and gives practical steps in both asking for forgiveness and extending forgiveness.

Poster 17a

The picture at the top depicts a conflict. (It could be any kind of conflict). We have a choice of 2 paths – one is revenge which brings bitterness and destruction; the other brings forgiveness and freedom.

Poster 17b

Like a vine entangling us, bitterness affects our whole life and all our relationships. Your desire to injure the one who wronged you also pierces God's heart – it is sin like this that brought Jesus to the cross, to pay the penalty for sin.

Poster 17c

This poster is illustrating Matthew 18:21-35. The servant on his knees at the top is the same man who is strangling the other man at the bottom.

Lesson 18: How Do We Live As a Christian Family?

Key thought:

This session discusses the importance and value of Christian homes in our communities. The Scriptural roles and responsibilities of husbands and wives are studied: God's design for the family to be a place where all members are nurtured and strengthened in their life in Him.

Poster 18a

- Top left is illustrating Jesus' life of love.
- Top right – Jesus' life should be reflected in the relationship between husband and wife.
- Bottom – the relationship between earthly fathers and their children should be like the Father heart of God (see poster 2a).

Poster 18b

Most of these illustrations are self-explanatory (I think).

#2 is showing a man (right) seeking forgiveness or trying to help the other man (left). This sets an example to the children who watch.

#3 The family (centre) who live according to Christ's example are an example to others.

Lesson 19:

This lesson is optional because many mainline churches hold different views on the end times. SALT seeks to serve all mainline churches and so therefore it must remain neutral on certain end times theology. If your church doesn't agree with the material presented in this lesson, it is acceptable for you to leave lesson 19 out of your language's SALT course book.

Key thought:

This lesson talks about our future destination for Christians and non-Christians. It focuses on what happens when we die, the final judgment and final events. This will help us to be certain of our hope in Christ and to overcome the fear of death, while it will also show us the urgency of communicating the truth to one another “while there’s still time.”

Poster 19

The poster illustrates the moment that all the people from every nation, tribe, people and language are standing before God’s throne and in front of the Lamb.

Lesson 20 Preparing and Presenting Messages

Key thought:

Learning how to prepare and present Biblical messages will help sermons to be more interesting, understandable, and effective. Simple exegesis of a passage of Scripture is taught and demonstrated throughout the course.

Poster 20 The man is preparing a message.
